Bid rejected

The bid was rejected in accordance with the provisions of clause 29.1 of Section I. Instructions to Bidders, because the bid was not determined to be substantially responsive to all the requirements of the bidding documents. The model name of the offered equipment and the manufacturer of the equipment is not indicated. No supplementary documents (technical sheets, catalogue, pictures, manufacturers' data sheets) were included in the bid as supporting documents. Thus, it was not possible to verify if the requirements in Section VII. Schedule of Requirements for Lot 3 are met in the case of the equipment offered.
